#1 Gold King Mine FAQs draft FINAL .pub

My understanding is that Joan and others wanted to wait on this so that they can incorporate the water data. Sandy is also trying to get a map on there. This is the last version I worked on and the version to which Sandy is adding additional information. Sandy is the lead on the fact sheet so please have anyone in the field send any updates or helpful information directly to her. I will not be in the office much longer today.

Wendy
